

Ground Rule Change - FTSE/JSE Intra Review Share Changes

18 September 2012

FTSE and the JSE announce the following changes to FTSE/JSE Ground rules:

Current Rule

6.6.1 Changes to Constituent Weightings

For the purposes of computing the FTSE/JSE Africa Index Series and to prevent a large number of insignificant weighting changes, the number of shares in issue for each constituent security is amended only when the total shares in issue held within the calculation system changes by more than 10% on a cumulative basis.

New Rule

6.6.1 Periodic Review of Constituents

For the purposes of computing the FTSE/JSE Africa Index Series and to prevent a large number of insignificant weighting changes, the number of shares in issue for each constituent security is amended only when the total shares in issue held within the calculation system changes by more than 10% on a cumulative basis **or when an accumulated share change represents USD 2bn of a company's total market capitalisation.**

An updated version of the FTSE/JSE Series Ground Rules is now available on the FTSE/JSE website.
