**Monday 20 November to Friday 01 December 2023:** Query period. Clients are welcome to query the data visible within the files between **20 November 2023** and end of day on **01 December 2023**.

The quarterly updates will be considered final at end of day on **Friday 01 December 2023**.

**Monday 04 December 2023:** Effective start of trading on **04 December 2023**, the scheduled changes will be "locked down" across the FTSE/JSE Indexes, with no further corrections applied this quarter\*.

\*During the quarterly review / annual reconstitution lock-down period, FTSE Russell will generally avoid implementing corrections to ensure stability during the period prior to the review / reconstitution implementation. However egregious shares and free float errors discovered within the lock-down period or during the week following the review / reconstitution may be corrected if an erroneous change compromises the replicability of the index OR if the change places potential price pressure on the company OR if there is a material error of 50% or greater (relative) to index shares. Any corrections during the lock-down period or the week following the review will be implemented with appropriate notice. All other shares and free float errors will be corrected at the following quarterly index review.

**Monday 18 December 2023:** From start of trading on **18 December 2023** the quarterly changes will become effective within the FTSE/JSE Indexes.

#### **Additional Clarifications**

**Stocks Suspended during the Review Period:** Constituents which are suspended on **Friday 01 December 2023\*** will not have their scheduled review changes implemented regardless of a resumption of trade prior to the review effective date. The scheduled review changes will be implemented T+5 after the review effective date, at the earliest, upon resumption of trade.

If an active constituent suspends on or prior to **Tuesday 12 December 2023\***, the scheduled review changes will be reversed and applied T+5 after the resumption of trade (T+5 after the review effective date, at the earliest). If a suspension occurs on **13, 14 or 15 December\*\*\* 2023**, the review changes will proceed as previously communicated\*\*. \*If there is a confirmed resumption of trade date which occurs prior to the review effective date, the review changes will proceed as scheduled.

\*\*in exceptional circumstances, it may be deemed necessary to reverse the review changes when a company suspends on **13, 14 or 15 December\*\*\* 2023**.

\*\*\***Friday 15 December 2023** is a South African Public Holiday

**Equity Offerings:** In accordance with standard methodology, primary and secondary offerings will continue to be applied with two days' notice when discovered after the review announcement date. However, offerings which would ordinarily become effective at the open on the **Tuesday - Friday** prior to the review will instead be implemented simultaneously in conjunction with the review effective date on **18 December 2023** (open).
