\* Previously announced index membership changes as a result of the quarterly September review, effective from the open of Monday 23 September 2024.

**Please note:** Secondary offerings applied with two trading days notice, which would ordinarily become effective at the open on Tuesday – Friday in the week prior to review will instead become effective in conjunction with the review (question 15 of the [Shares and Free Float Maintenance FAQ](#)). Noting the previously announced review membership changes, and to avoid undue flip-flop turnover, the investability weighting change will become effective in conjunction with the review date.
