All other shares and free float errors will be corrected at the following quarterly index review.

Monday 23 September 2024: From start of trading on **23 September 2024** the quarterly changes will become effective across the FTSE/JSE indexes.

Additional Clarifications

Stocks Suspended during the Review Period: Constituents which are suspended on **Friday 06 September 2024*** will not have their scheduled review changes implemented regardless of a resumption of trade prior to the review effective date. The scheduled review changes will be implemented T+5 after the review effective date, at the earliest, upon resumption of trade.

If an active constituent suspends on or prior to **Thursday 19 September 2024***, the scheduled review changes will be reversed and applied T+5 after the resumption of trade (T+5 after the review effective date, at the earliest). For securities that suspend on the Friday prior to the review effective date, the review changes will proceed as previously communicated**.

*If there is a confirmed resumption of trade date which occurs prior to the review effective date, the review changes will proceed as scheduled.

In exceptional circumstances, it may be deemed necessary to reverse the review changes when a company suspends on **20 September 2024.

Please note that Section 4.2 of the FTSE Russell Index Policy for Trading Halts and Market Closures guideline was updated on 4 Dec 2023. The notice can be accessed [here](#).

Equity Offerings: In accordance with standard methodology, primary and secondary offerings will continue to be applied with two days' notice when discovered after the review announcement date.
