
Market Notice

To: Market Participants
From: FTSE/JSE Indices
Date: 24 November 2025
Subject: **Final Availability of Indicative Free Float Changes on the JSE Website**

FTSE/JSE would like to make market participants aware that the indicative free float changes will no longer be published on the JSE website, effective with the March 2026 index review. From March onwards, indicative free floats will only be available in the official FTSE/JSE end of day index products.

The current FTSE/JSE indicative free floats changes are published under “Quarterly Reviews” at the link below:

<https://www.jse.co.za/services/indices/ftsejse-africa-index-series>

Herewith an example of the [Indicative Free Float Changes](#) product available on the JSE website.

Should there be any questions, please forward them to the following email address:

indices@jse.co.za
