Amendments to the JSE Listings Requirements: Simplification Project

The JSE refers to its announcement dated 20 September 2023.

The JSE has released a further two simplified Sections, being Section 3 (Continuing Obligations) and a new Section 4 (Corporate Governance). As a reminder, a dedicated Simplification Project portal has been created through the link below, which will form the central database for the project.

Each Section will include the following documents for public consultation:

- Key Amendments Schedule to identify any amendments that are not consider simplification.
- Marked-up version of the Section; and
- Clean simplified version.

A SENS announcement will communicate the release of further Sections to the market for public consultation.

The JSE invites comments on the proposed amendments by close of business on Wednesday, 31 January 2024, and comments can be sent to simplification@jse.co.za. Considering the upcoming festive period, the JSE will afford more time for public comments than the prescribed one-month period.

Any queries or questions can be directed to alwynf@jse.co.za.
