Amendments to the JSE Listings Requirements: Simplification Project

The JSE refers to its previous announcements on the Simplification Project.

The JSE has released a further three Sections, being Section 5 (Methods and Procedures to Bringing Securities to Listing), Section 11 (Circulars, Pre-Listing Statements/Prospectuses and Announcements) and Section 16 (Documents to be Submitted to the JSE).

It should be noted that the above three Sections have largely been consolidated into a new Section 6: Corporate Actions.

As a reminder, a dedicated Simplification Project portal has been created through the link below, which forms the central database for the project.

The Sections above include the following documents for public consultation:

- Key Amendments Schedule to identify any amendments that are not consider simplification;
- Marked-up version of the Section;
- Clean simplified version; and
- Relocation Report (items that will be moved to a more appropriate Section).

A SENS announcement will communicate the release of further Sections to the market for public consultation.

The JSE invites comments on the proposed amendments by close of business on Tuesday, 30 April 2024, and comments can be sent to simplification@jse.co.za.

Any queries or questions can be directed to alwynf@jse.co.za.
