IDP SECURITY CERTIFICATE EXPIRY – EFFECTIVE 16 JANUARY 2021

In line with IT Security best practice, we will be renewing the IPD server security certificate. The existing server security certificate is expiring on 16 January 2021.

The new security certificate will be implemented on Friday, 15 January 2021 at 22:30 SAST before the delivery of the All Africa Indices and BDA dissemination files.

Post the implementation clients will be required to **accept** the new certificate when accessing the IDP service.

Clients are urged to test connectivity to the IDP service during the course of Saturday, 16 January 2021.

We apologise for the impact to your operations and resultant inconvenience to your data clients.
