JSE Equity Market Trading and Information System – 6 January 2014 Participant Test Weekend (PTW)

A Participant Test Weekend (PTW) is an opportunity for clients to conduct scripted or unscripted testing in the JSE Equity Market Trading and Information production environment.

It is an **optional** test and is available to all current production users of these services. During the PTW, clients will be able to connect to the Equity Market Trading and Information Gateways and receive multicast data.

PTW Details	
Date:	**Saturday,** 25 January 2014
Time:	**08h00 – 17h00 SAST**
Booking Procedure:	
Closing Date:	**Friday,** 10 January 2014
Closing Time:	**12h00**
Booking Details:	
Customer Support	• (011) 520-7777 • Email: CustomerSupport@jse.co.za • Please indicate nature of testing when booking, i.e. LCON or unscripted test • **No late bookings will be accepted**

JSE users, who **are participating** in this test, are to note the following:

- A PTW Service Hotline will be issued on the Monday prior to the test weekend confirming the PTW times, contact details and test schedule.
- The test will be executed in the JSE production environment. Clients are responsible for rolling back test data in their own environments after the test.

JSE users, who are **NOT participating** in this test, must please ensure that their JSE Equity Market Trading and Information systems are shut down on the Friday evening prior to the test to ensure that they do not receive any test data during the PTW.

Service (s):

- Equity Market

Environment(s):

- Production
