21 January 2021

MAINFRAME MIGRATION - CONNECTIVITY TO PRODUCTION AND UAT

Please take note of the below key information in preparation for this Saturday's dress rehearsal, 23 January 2021, and the UAT phase starting on Monday, 25 January 2021.

DRESS REHEARSAL: 23 JANUARY 2021

Please be advised that the IP address that that will be used on Saturday is the same as the current production IP address. There are no changes required by members in preparation for the dress rehearsal.

All BDA Sign-On passwords will be reset to the standard BDA default password for the purposes of Saturdays test. The passwords for the FTP sign-ons will remain as is and will not change.

Online date will be as at 22 January 2021. Data will be as at 21 November 2020, although we are doing batch runs during the week, the data you will access on Saturday will not be the most recent production.

Please refer to the BDA Dress Rehearsal Mainframe Migration Test document attached to this hotline for detailed information on the dress rehearsal.

CONNECTIVITY TO UAT ENVIRONMENT: 25 JANUARY 2021 – 5 MARCH 2021

Please take note of the connectivity details for UAT:

- IP address: 196.216.152.162
- Both Ports 23 and port 992 are enabled

N.B Please ensure that the above-mentioned IP address and port details are enabled on your respective internal networks prior to attempting connectivity to UAT environment.
