## DELAY IN BROKER UAT TESTING

As previously communicated by the JSE, the start of the broker UAT testing was scheduled for today, 25 January 2021.

Due to a number of brokers being unable to establish connection to the UAT environment, we have therefore decided to delay the start for UAT testing to Thursday morning, 28 January 2021 to allow members additional time to set up connectivity for UAT.

The JSE Team will communicate feedback on UAT access by close of business, Tuesday 26 January 2021.
