AVAILABILITY OF NEW ICB SUBSECTOR CODES IN STOCK EXCHANGE NEWS SERVICE (SENS) ANNOUNCEMENTS

Further to [Service Hotline 279/2020](#) issued 15 December 2020, clients are reminded that [Service Hotline 279/2020](#) details the impact of the Industry Classification Benchmark (ICB) changes to SENS announcements.

To assist clients in testing the ICB changes to announcements, clients are advised that from **Monday, 1 February 2021**, real-time SENS announcements published in the **CTS2A** environment will include the **ICB SubSector field of 8 (eight) characters**.

Clients wishing to test the real-time Regulatory News feed in the CTS2A environment can contact the JSE Client Service Centre (CSC) on CustomerSupport@jse.co.za or +27 11 520 7777 for assistance.

In addition, we have made **sample test files of the SENS End-Of-Day products** available for download at the following links:

Filename	Description
DDAP.SPRD.SENS.ETPI.ICB.zip	End-of-Day SENS All market announcements published during the trading day provided in standard text, in a XML (NewsML) format.
DDAP.SPRD.SENS.EPPI.ICB.zip	End-of-Day SENS Plus All market announcements published during the trading day in PDF format, over and above standard text, in a XML (NewsML) format.
