EDM AND FXM RTC RESTORE AND RECOVERY

The Real Time Clearing System (RTC) is currently being restored back to the state as at start of day on 10 February 2020.

Customers are required to clear out transactional data received from RTC today.

As soon as RTC is available for login your software should re-establish connectivity and subscribe to all data event flows.

Estimated schedule of events – subject to change:

Time	Activity
14h00	<ul style="list-style-type: none"> Trading halted for Equity and Currency Derivatives
15h00	<ul style="list-style-type: none"> RTC available for login
15h00 – 15h55	<ul style="list-style-type: none"> Customers to re-establish RTC connectivity when clean out activities are complete Customers may start re-executing all deal management activities for 10 February 2020 (if required)
15h55 – 16h00	<ul style="list-style-type: none"> Opening auction Equity Derivatives
