15 March 2022

SOFTWARE PROVIDER (SWP) FORUM PRESENTATION AND MEETING RECORDING FOR SESSION HELD 10 MARCH 2022

Clients are advised that a copy of the Software Provider (SWP) Forum **presentation** as presented, 10 March 2022 is now available for download. For those who could not attend the live session, a copy of **session recording** is also available for download at the following link.

https://clientportal.jse.co.za/communication/software-provider-forum

To navigate to the **Software Provider Forum page** from the JSE main page, follow these steps:
Click Client Portal → Communications → Software Provider Forum

NOTE: The JSE Software Provider Forum is a regular communication and information sharing session held with the JSE accredited Software Providers and own solution developers.
The key objectives of the forum is to communicate the business and technical timelines, project status and change impact of the various initiatives (be they mandatory or optional) on the services clients subscribe to and solution developers integrate their applications to.
