EQM,EDM AND FXM MARKET PARTICIPANT TEST WEEKEND (PTW) 27 FEBRUARY 2021

Clients are reminded that, Saturday, 27 February 2021, has been made available as a Participant Test Weekend (PTW) in the production environment.

During this test the below Market Services will be brought up for Trading and Market Data:

- Equity
- Equity Derivatives including RTC
- Currency Derivatives including RTC
- Agricultural, Interest Rate and Bond Market (Download Period Only)

All clients **NOT** participating in the PTW are requested to ensure that their Trading and Information **systems are shut down** during the weekend to ensure that they **do not receive and process any test messages** published during the testing period.

Due to the 27 February 2021 being the **JSE TRADING AND INFORMATION SYSTEM UPGRADE – UPCOMING RELEASE**, clients are advised to start connecting from 14h00 PM for the PTW.

Please note that on RTC there will be data resulting from the Dress Rehearsal testing.

Please refer to the below Web Communication Link for updates on developments on the day:

<https://www.jse.co.za/services/jse-market-communications>

Clients are advised to contact JSE Standby number, +27 83 611 9315, for any queries after hours.

Markets / Services:

- JSE Equity Market
- JSE Derivatives Markets
 - Equity Derivatives
 - Currency Derivatives
