COLOCATION | INCREASE IN POWER CONSUMPTION FEES

Clients are advised that the National Energy Regulator of South Africa (NERSA) has approved an electricity tariff increase of 8.76% applicable to direct Eskom customers. In line with this regulatory-driven adjustment, the JSE will implement a corresponding 8.76% increase to power consumption charges for Colocation Services, effective 1 May 2026.

The revised power consumption fees are set out in the table below.
