#### ADDITIONAL INFORMATION:

If you have any queries about this announcement, please contact the Client Service Centre on +27 11 520 7777 or

[customersupport@jse.co.za](mailto:customersupport@jse.co.za)

#### Market participants optional testing:

- Equity Market – BDA connectivity and enquiry functions
- Equity Market – ECS connectivity and view deals and settlement orders
- Bonds Market – Nutron connectivity and enquiry function

The technical connectivity is to be conducted from the **clients' production environment** to **JSE Recovery (DR) site**.

**NB:** Please ensure that you **verify your setup with your Network Service Provider (NSP) or Shared Infrastructure Provider (SIP) prior** to the Resilience (DR) test and arrange for the necessary support such as having network engineers available for assistance. Clients are urged to ensure that when connecting to the JSE Recovery (DR) site that ALL production links are SHUT during this test.

#### Please note:

- Clients must use the attached client checklist during the test to record their testing activities.
- A client that does not participate in the test will not be able to establish whether or not their organization can access relevant JSE systems at the JSE disaster recovery environment.
- As is custom, each participating client will be issued with a Compliance Letter confirming their participation in the test along with the additional business processes that would have been tested and the outcome thereof.
- Remote testing is permitted.
- Any BDA updates will not be rolled back, and as such, only enquiry testing is to be carried out.
- End of Day Dissemination Subscribers (BDA Dissemination and Information Subscribers) are advised to please download their production end of day files prior to 08h00 on Saturday, 16 May 2026; alternatively, files can be downloaded from 14h00 on Sunday 17 May 2026.
- In efforts to mature our testing processes and drive improved outcomes from such tests, we would like to encourage the following:
  - Increased direct member participation, viz registered traders and individuals associated with trading activities to **take part in the annual Market-Facing Disaster recovery test**.
  - In addition to testing the ability to connect to the JSE's Disaster Recovery site, clients are required to **test their ability to execute basic day-to-day processes** within the DR environment as indicated above.

#### Contact Details Required:

Please email the details of your key contact (name, surname, email address and cell phone number) to [CustomerSupport@jse.co.za](mailto:CustomerSupport@jse.co.za) by no later than 12h00 on Wednesday, **13 May 2026**. **This will ensure that you receive the necessary communication throughout the test.**
