TRADING SYSTEM RELEASE 4.5 B REVISED TESTING CYCLE AND GO-LIVE DATE

With reference to Service Hotline [053/2026](#) and [Attachment](#), the JSE would like to advise that the previously communicated Go-Live date of Monday, 4 May 2026 has been deferred. This extension is intended to provide participants with additional time to test the implemented enhancements after fixing defects identified during client testing cycle.

The enhancement has been deployed to the CTS environment, and ATS users are encouraged to test the solution from **Monday, 13 April to Friday, 22 May 2026**.

Summary of key test information

- Customer Test Service (CTS) environment for client testing is available between 09h30 until 23h00 daily.
- Participant Regression Test cycle is between 13 April 2026 – 22 May 2026.
- Test Signoff must be sent to the JSE by emailing commodities@jse.co.za by close of business on Wednesday, 20 May 2026.
- Test scenario guidelines and sign off checklist are [attached](#) for further details

The revised production Go-Live date will be communicated in due course.
