JSE EXCHANGE TEST WEEKEND – ETW - 4 MAY 2024

The JSE has planned an Exchange Test Weekend on Saturday, 4 May 2024. This will affect all member firms for JSE EQM, EDM, FXM and Live Information Subscribers to these markets.

The JSE will bring up the Trading System on **Saturday, 4 May 2024**, for the duration of the day. Clients must ensure that their production systems are **shut down** prior to the systems start-up (preferably the evening before the scheduled change), to ensure that they do not receive and process any test data.

The JSE appreciates your co-operation in this regard.
