TRADING SYSTEM RELEASE 4.5 B REVISED TESTING CYCLE

With reference to [Service Hotline 058/2026](#), the JSE would like to inform you of the extended testing cycle due to unforeseen defects identified during the client testing phase. This extension is intended to provide participants with additional time to test the implemented enhancements which addresses the defects.

The updated code has been deployed to the CTS environment, and ATS users are encouraged to test the solution from **Monday, 1 June to Friday, 19 June 2026**.

Summary of key test information

- Customer Test Service (CTS) environment for client testing is available between 09h30 until 23h00 daily.
- Participant Regression Test cycle is between 1 June 2026 – 19 June 2026.
- Test Signoff must be sent to the JSE by emailing commodities@jse.co.za by close of business on 17 June 2026.
- Test scenario guidelines and sign off checklist are [attached](#) for further details.

The production Go-Live date will be communicated in due course.
