UPDATE ON THE NUTRON REPO REPORTING REFORM PROJECT TIMELINES

Further to [Service Hotline 070/2024](#) sent on 9 May 2024, the JSE would like to update the market of the timelines for the Nutron Repo Reporting Reform Project.

This is due to the addition of further market requirements which have impacted some timelines.

- Final API will be published: **Mid July 2024**
- Full Market End-to-end Stakeholder testing: **Quarter 1 2025**
- Market Dress Rehearsals: **Quarter 2 2025**

A reminder to market participants the purpose of this project is to manage the delivery and deployment of the reformed Repo Reporting requirements which will cater for the Repurchase Agreements (Classic Repo) on the trading system as well as on the Nutron front-end and via the API.

Please use the following link to access all documentation related to this project:
