SERVICE HOTLINE

REFERENCE NUMBER: 089/2022

20 June 2022

REMINDER - NATIVE GATEWAY PROTOCOL VERSION

With reference to **Service Hotline 073/2022**, and in anticipation of the 1 July 2022 deadline for protocol version defaulting to version 2 in production, the JSE End-to-End "Staging" test environment will be updated with this same change effective from 27 June 2022.. This will allow the default login to reference version '2' of the protocol.

For more details pertaining to the release, please refer to the JSE Trading Release Document available on the JSE website under "Next Functional Release" using the following link:
