Equity Market – Exchange Test Weekend (ETW) Saturday, 24 May 2014

Clients are advised that this weekend **Saturday, 24 May 2014** is an Exchange Test Weekend (ETW) during which the JSE will be conducting an internal disaster recovery test in the Equity Market production environment. During this testing, the system will be brought up and **test data may be published** to clients. Testing is scheduled as follows:-

Saturday, 24 May 2014	08h00 - 18h00
-----------------------	---------------

All clients are requested to ensure that their Equity Market Trading and Market Data production **systems are shut down** during the weekend to ensure that they **do not receive and process any test messages** published during the ETW.
