

SERVICE HOTLINE

Number: 101/2025
Date: 04 September 2025

Name and Surname: Anelisa Matutu
Designation: Head – Commodity Derivatives Market

CDM | RELEASE E GO-LIVE AND MARKET TESTING DATES

Further to [Service Hotline 091/2025](#) and [Attachment](#), the JSE would like to provide an update to all market participants on the go-live date for Release E for the Commodity Derivatives Market.

Market Regression Testing is currently underway, and the testing cycle completes on **Wednesday, 10 September 2025**. Clearing Member Regression Testing Cycle remains 11 August to 11 September 2025. The confirmed **Go-Live** date is **Monday, 15 September 2025**.

Summary of key test information

- Customer Test Service (CTS) environment for client testing is available between 09h30 until 23h00 daily. Reports are available the next morning.
- Market Regression Test cycle is between 18 August – 10 September 2025
- Clearing Member Regression Test cycle is between 11 August – 11 September 2025
- Signoff must be sent to the JSE by emailing commodities@jse.co.za by close of business on 10 September 2025.
- Clearing Member Signoff must be sent to JSE Clear by emailing clearops@jse.co.za by close of business on 11 September 2025.
- Test scenario guidelines and sign off checklist is attached for further details.

Functional and Regression Testing

Software providers and own solution development firms are mandated to test during the scheduled test cycle to ensure successful conformance and implementation.

Trading Members and Clearing Members who make use of the Nutron frontend are strongly advised to test their daily operational activities during the respective test cycles.
