J203 INTRADAY INDEX FEED ACCESS ISSUE

The JSE wishes to advise clients due to technical issues, access to the J203 All Share Index intraday data feed(s) is currently unavailable. This may result in delays or interruptions in the receipt of intraday index values.

The matter is receiving urgent attention and the JSE is working with the relevant parties to restore normal service as soon as possible. Subscribers will be advised of any material updates as more information becomes available.

We apologise for the impact this has had on your operations and the inconvenience, we also appreciate your patience and understanding while this matter is being resolved.
