JSE INTERNAL DISASTER RECOVERY AND BUSINESS CONTINUITY PLAN TEST – 20 AND 21 AUGUST 2022

Clients are advised that the JSE will be conducting an internal Disaster Recovery and Business Continuity test in the production environment on **20 and 21 August 2022**. During this test, the JSE trading and information systems for all markets will be brought up and test data may be published to clients.

All clients who connect directly to the JSE are requested to ensure that their **production systems are shut down** during the weekend to **prevent the receipt and processing of any messages published during the test, or alternatively schedule clean-up activities on your respective systems post the test.**

In addition please note the following:

- End of Day Data subscribers are advised to download their end of day files prior to **08h00** on **Saturday, 20 August 2022**; alternatively, files can be downloaded on **Sunday afternoon, 21 August 2022** from **14h00**.
- Please note that BDA services will be **interrupted** on **Saturday, 20 August 2022** during the following times: **08h00 to 20h00**.

Should you experience any problems over the weekend, please contact Client Service Centre on the after-hours number **+27 11 520 7900** or **+27 83 611 9315**.
