JSE Internal Disaster Recovery (DR) test on 12 and 13 September 2015

Clients are advised that the JSE will be conducting an internal JSE Disaster Recovery test in the production environment on **12 and 13 September 2015**. This is to conduct additional testing prior to the market facing test scheduled for 3 October 2015. During this test the JSE trading systems for all markets will be brought up and test data may be published to clients.

All clients who directly connect to the JSE are requested to ensure that their **production systems are shut down** during the weekend to ensure that they **do not receive and process any test messages published during the test**.

In addition please note the following:

- End of Day Data subscribers are advised to download their end of day files prior to **08h00 on Saturday, 12 September 2015**; alternatively files can be downloaded on Sunday afternoon, **13 September 2015** from **14h00**.
- Clients who wish to perform normal BDA activities on Saturday, 12 September 2015 are advised the service will only be available from **approximately 16h00**.

Should you experience any problems over the weekend, please contact Customer Support on the after-hours number **+27 11 520 7900** or **+27 83 611 9315**.
