JSE INTERNAL DISASTER RECOVERY (DR) TEST ON 4 AND 5 JUNE 2016

Clients are advised that the JSE will be conducting an internal JSE Disaster Recovery test in the production environment on **4 and 5 June 2016**. During this test the JSE trading and information systems for all markets will be brought up and test data may be published to clients.

All clients who directly connect to the JSE are requested to ensure that their **production systems are shut down** during the weekend to ensure that they **do not receive and process any test messages published during the test**.

In addition please note the following:

- End of Day Data subscribers are advised to download their end of day files prior to **08h00** on **Saturday, 4 June 2016**; alternatively files can be downloaded on Sunday afternoon, **5 June 2016** from **14h00**.
- Please note that BDA services will **not** be available on **Saturday, 4 June 2016**.

Should you experience any problems over the weekend, please contact the Client Services Centre after-hours number/s **+27 11 520 7900** or **+27 83 611 9315**.
