IRC NUTRON UPGRADE 17 AUGUST 2015

With reference to the Service Hotline sent on the 16th July 2015, number: 98/2015, The JSE wishes to remind all IRC Members of the upgrade to the Nutron Trading System. The go live dates have been communicated as follows:

- Interest Rates and Currency Derivatives Market has been scheduled for Go-live on **Monday, 17 August 2015**, with Deployment on Saturday, 15 August 2015.

The final version of the IRC Nutron front-end v04098, will be available for download from the following location as of today, 12th August 2015: <https://www.jse.co.za/downloads> (IRC Nutron_v04098_Not_Final)

There will be no market facing Dress Rehearsal, however clients are encouraged to download and install the new version by Friday, 14th August 2015 as the current production IRC Nutron version, v04044, is not compatible with the upgrade and you will not be able to log in as of Monday morning, 17th August 2015.

Based on the testing outcome a Go-live communication will be issued to the market on Saturday 15th August 2015.

The connectivity details for production remain as follows:

IP Address: 196.216.152.20

Ports: 2269

Please contact customersupport@jse.co.za should you have any questions.
