Name and Surname:	Martin Koch
Designation:	Head - Trading Operations

EDM EQM FXM - JSE RELEASE 7.7 – MIT UPGRADE DEPLOYMENT TO STAGING

This Service Hotline refers to Service Hotline **080/2024** and **107/2024** as previously published and provides further details relating to Release 7.7 (MIT Upgrade 2024).

Clients are advised that the code is currently deployed in the JSE Staging environment as of today 19 August 2024.

As a reminder, the Go-Live date for production will be effective on **Monday, 14 October 2024.** The code will be deployed in production on **Saturday, 12 October 2024** and the system will be available for the remainder of the day for any testing, which is highly encouraged.

The summary of the release can be found on the JSE Client Portal under the Technical Library as well as the updated APIs here:

https://clientportal.jse.co.za/technical-library/trading-and-market-data-documentation

We thank you for your co-operation and if you have any questions or concerns about this announcement, please contact the Client Service Centre on +27 11 520 7777 or **customersupport@jse.co.za**
