### JSE INTERNAL BUSINESS RESILIENCE TEST 10 AND 11 JUNE 2017

Clients are advised that the JSE will be conducting an internal technical resilience test in the production environment on **10 and 11 June 2017**. During this test the JSE trading and information systems for all markets will be brought up and test data may be published to clients.

**All clients** who connect directly to the JSE are requested to ensure that their **production systems are shut down** during the weekend to **prevent the receipt and processing of any messages published during the test**.

In addition please note the following:

- End of Day Data subscribers are advised to download their end of day files prior to **08h00** on **Saturday, 10 June 2017**; alternatively files can be downloaded on Sunday afternoon, **11 June 2017** from **14h00**.
- Please note that BDA services will **not** be available on **Saturday, 10 June 2017**.

Should you experience any problems over the weekend, please contact our Client Services Centre on the after-hours number **+27 11 520 7900** or **+27 83 611 9315**.
