BDA MODERNISATION PROJECT COMMUNICATION SESSION

We are excited to invite you to a market communication session for the BDA Modernisation Project, a major technology transformation initiative by the JSE.

As part of our strategic vision to modernize and future-proof our infrastructure, we are modernising our legacy BDA mainframe technology stack. This transition will enable greater scalability and agility ensuring continuity and compliance with existing operational standards.

Agenda: What to expect:

- Project overview
- Current project status
- Indicative high level timeline
- High level client impact, participation and engagement
- Live Q&A with our BDA team

Date: Wednesday, 12 November 2025

Time: 11h00 SAST (90 min)

Venue: On site in the JSE Auditorium or online via Microsoft Teams

Who should attend: All compliance, business and technical users of the BDA system as well as Software and Solution Providers offering automation or integration to the BDA system.

RSVP Now: Kindly register to attend at this link
