BDA Connectivity from JSE Production Site to Business Connexion (BCX) – Change rescheduled to 26 July 2014.

Further to Service Hotline 127/2014, Members are advised that the JSE's service provider, BCX has advised us that they have resolved the technical issue and plan to migrate the current Telkom radio links to the Dark Fiber Metro "E" connectivity service on **Saturday, 26 July 2014, from 06h00 to 10h00**. As a result the BDA online application will only be available from **10h00 – 19h00**. In addition members are advised to please download their end of day files prior to **06h00 on Saturday, 26 July 2014**; alternatively files can be downloaded after **10h00 on Saturday, 26 July 2014**.

Please note that members are **NOT** required to make any changes to their systems.

Should you experience any problems during the course of the day, please contact **Customer Support on the after-hours contact number:**
+27 11 520 7900 or 083 611 9315.
