JSE

INTEGRATED TRADING AND CLEARING (ITaC) PROJECT – SOFTWARE PROVIDER CONFORMANCE STATUS AND CONTACT LIST UPDATED

Clients are advised that the ITaC Software Provider conformance status and contact lists have been updated and are now available for download at the following link: https://www.jse.co.za/services/itac#OtherDocumentation.

Document	Update	Description
ITaC Software Provider Conformance Status	**Updated**	This document provides a list of software providers that have successfully satisfied the JSE's minimum conformance requirements for Trading and/or Market Data and/or Post-trade Services for the JSE Integrated Trading and Clearing (ITaC) project.
ITaC Software Provider Contact List	**Updated**	This document provides contact details for all software providers that have confirmed they will develop software solutions for the JSE Integrated Trading and Clearing (ITaC) project. Clients can contact these providers directly to confirm the solutions they will provide and support.
