### JSE Internal Disaster Recovery (DR) Test on 2 and 3 August 2014

Further to Service Hotline 132/14, clients are advised that the JSE will be conducting an internal JSE Disaster Recovery test in the production environment on **2 and 3 August 2014**. During this test the JSE trading systems for all markets will be brought up and test data may be published to clients.

**All clients** who directly connect to the JSE are requested to ensure that their production **systems are shut down** during the weekend to ensure that they **do not receive and process any test messages published during the test**.

In addition please note the following:

- The BDA Online system will not be available to Equity members on Saturday, **2 August 2014**;
- End of Day Data subscribers are advised to please download their end of day files prior to **08h00** on **Saturday, 2 August 2014**; alternatively files can be downloaded on Sunday afternoon, **3 August 2014** from **14h00**.

Should you experience any problems over the weekend, please contact **Customer Support** on the after-hours number: **+27 11 520 7900 or +27 83 611 9315**.

Thank you for your understanding and co-operation.
