### DIESEL PROJECT UPDATE - PROVISION OF NON-LIVE MARKET DATA TEST DATA

This Service Hotline follows up on Service Hotline 144/2020 regarding the test period for the new Physical Diesel Contract which started on Monday, 15 June 2020.

As noted in the Service Hotline, Non-Live Market data dissemination, specifications and data products layouts remain unchanged therefore UAT environment will not be set up to this effect.

To assist clients to identify the new Physical Diesel contract (Instrument Code "DPHY"), sample test data files have been attached to this Service Hotline.

If any subscribers are interested in more test data, we can provide it on request. The Non-Live Market data product specifications is available on this [Link](#).

#### Market / Service:

- Commodity Derivatives Market Data Products

#### Environment(s):

External Test Environment
