REMINDER OF IDP SECURITY CERTIFICATE EXPIRY – EFFECTIVE 15 NOVEMBER 2024

We notified you via [Service Hotline: 108/2024](#) that the JSE will be renewing the Information Delivery Portal (IDP) server security certificate. The existing server security certificate is expiring on 17 November 2024.

This service hotline serves to remind you that the new security certificate will be implemented on **Friday, 15 November 2024** at 22:30 SAST before the delivery of the All-Africa Indices and BDA dissemination files.

Post the implementation clients will be required to **accept** the new certificate when accessing the IDP service.

We urged you to test connectivity to the IDP service during Saturday, **16 November 2024**.

We apologise for any inconvenience this may cause.
