INTEGRATED TRADING AND CLEARING PROJECT (ITAC): CUSTOMER TEST SERVICE (CTS) MAINTENANCE

Clients are advised that the Trading and Information CTS environment for ITaC Equity Derivatives (Project 1b) & Currency Derivatives (Project 1c) will undergo maintenance on **Friday, 8 September 2017**.

The maintenance includes routine technical maintenance and configuration of the environment and will not impact clients. The CTS for Trading and Information services will therefore be brought down from 14h00 on Friday afternoon and will not be available to clients for the remainder of the afternoon. Normal CTS service availability will resume on Monday, 11 September 2017.

Service:

Equity Derivatives Market
Currency Derivatives Market

Environment(s):

Customer Test Service (CTS)
