TECHNICAL ISSUE – BDA DEAL MANAGEMENT FUNCTIONALITY

Members are advised that we are currently experiencing a technical problem relating to the Deal Line information displayed for any BDA deal transaction.

As a result, BDA users are impacted as follows:

- Users will not be able to correct any deals using DLADJ.
- When displaying the deal lines on any deal transaction using any BDA enquiry screen e.g. ACDLS, AFINH, ASHRH, DCLOP etc., users will be presented with a BDA Error message.
 - o To clear this error message, users can press Enter.

We are currently working on resolving the issue and will keep members updated during the course of the morning.

Status updates may also be viewed on our website:
