JSE Equity Market – Participant Test Weekend (PTW) 18 October 2014

A Participant Test Weekend (PTW) is an opportunity for clients to conduct scripted or unscripted testing in the JSE Equity Market Trading and Information production environment.

It is an **Optional test weekend** and is available to all current production users of these services. During the PTW, clients will be able to connect to the Equity Market Trading and Information Gateways and receive multicast Market Data.

PTW Details	
Date:	**Saturday,** 18 October 2014
Time:	**08h00 – 17h00 SAST**
Booking Procedure:	
Closing Date:	**Friday,** 3 October 2014
Closing Time:	**12h00**
Booking Details:	
Customer Support	• (011) 520-7777 • Email: CustomerSupport@jse.co.za • Please indicate nature of testing when booking, i.e. LCON or unscripted test • **No late bookings will be accepted**

JSE users, who **are participating in this test**, are to note the following:
- A PTW Service Hotline will be issued during the week prior to the test weekend confirming the PTW start times, contact details and test schedule.
- The test will be executed in the JSE production environment. **Clients are responsible for removing test data** from their own production environments after the test.

JSE users, who are **NOT participating in this test**, must please ensure that their JSE Equity Market Trading and Information systems **are shut down** on the Friday evening prior to the test **to ensure that they do not receive any test data** during the PTW.
