### JSE SECURITIES AND FX COLLATERAL SERVICE OVERVIEW FOR INTEGRATED TRADING AND CLEARING (ITaC) PROJECT NOW AVAILABLE

Clients are advised that the **JSE securities and foreign currency cash collateral service overview document** for the Integrated Trading and Clearing (ITaC) Project 1b (Equity Derivatives) and Project 1c (Currency Derivatives) has been published and is now available for download.

This document provides an overview of the securities collateral service that will be launched with the implementation of ITaC Project 1b&c. It also includes information on the foreign currency cash collateral service that will be enabled once the requisite legislative approvals have been obtained.

Clients wishing to take-up the securities collateral offering are encouraged to familiarise themselves with the client enablement process described in the document and to initiate these processes in good time to ensure their readiness when the service is launched.

This document forms part of the JSE Services Documentation and can be accessed via the following link:
