UPGRADE TO NUTRON FRONT-END VERSION FOR THE DEBT INSTRUMENT SOLUTION (DIS) PROJECT

The JSE would like to communicate that there will be an upgrade to the Interest Rate and Currency Derivatives Nutron trading system, due to the DIS changes taking place. Please note, there will be no client facing changes.

The Go-live date will be Tuesday, 26 September 2017, with deployment on Saturday, 23 September 2017.

We encourage all clients to please upgrade their Nutron trading front-end by Tuesday, 26 September 2017 to version number v04230.

All previous versions (v04098 and v04180) will be decommissioned on the 31st of October 2017.

The final version of the IRC Nutron front-end v04230 will be available for download from the following location as of today, https://www.jse.co.za/Downloads/IRC_NUTRON_20170923.zip

The connectivity details are as follows:

IP Address: 196.216.152.20

Port: 2269
