EDM AND CDM NUTRON UPGRADE 30 NOVEMBER 2015

With reference to the Service Hotline sent on the 20th of October 2015, number: 154/2015, The JSE wishes to remind all EDM and CDM Members of the upgrade to the Nutron Trading System. The go live dates have been communicated as follows:

- Equity Derivatives and Commodity Derivatives Market has been scheduled for Go-live **Monday, 30th November 2015**, with deployment on Saturday, 28 November 2015.

The final version of the Nutron front-end v03845, will be available for download from the following location as of today 23rd November 2015: <https://www.jse.co.za/downloads> - Nutron_EDM_CDM_Nov2015_v03845_Final

There will be no market facing Dress Rehearsal, however clients are encouraged to download and install the new version by Friday, 27th November 2015 as the current production EDM and CDM Nutron version, v03833, is not compatible with the upgrade and **you will not be able to log in as of Monday morning, 30th November 2015.**

Final communication will be issued to the Market on Saturday, 28th November 2015 as to whether we will be going live with this version or not.

The connectivity details for production remain as follows:

IP Address: 196.216.152.131
EDM Port: 2003
CDM Port: 2210

Please contact customersupport@jse.co.za should you have any questions.
