IRC NUTRON UPGRADE 7 DECEMBER 2015

With reference to the Service Hotline sent on the 20TH October 2015, number: 154/2015, The JSE wishes to remind all IRC Members of the upgrade to the Nutron Trading System. The go live dates have been communicated as follows:

- Interest Rates and Currency Derivatives Market has been scheduled for Go-live on **Monday, 7 December 2015**, with Deployment on Saturday, 5 December 2015.

The final version of the IRC Nutron front-end v04180, will be available for download from the following location as of today, 1st December 2015: <https://www.jse.co.za/downloads> (Nutron IRC_Dec2015_v04180_FinalVersion)

There will be no market facing Dress Rehearsal, however clients are encouraged to download and install the new version by Friday, 4th December 2015 as the current production IRC Nutron version, v04098, is not compatible with the upgrade and you will not be able to log in as of Monday morning, 7th December 2015.

Based on the testing outcome a Go-live communication will be issued to the market on Saturday 5th December 2015.

The connectivity details for production remain as follows:

IP Address: 196.216.152.20
Ports: 2269
