NEW CREDIT INDICES - UPDATE

The JSE is pleased to announce the launch of our new Credit Indices; the following Indices have been created and are currently distributed to all clients that are subscribed to the detailed MTM product via email.

Please note that the new credit indices report can also be accessed on the FTP server via the following link `\\BONDFTP\IndexValues`

Should you require access please contact Customersupport@jse.co.za

The new indices are as follows:

- CFIX95 - JSE Credit Fixed Market Index which represents 95% of credit fixed market
- CFIX30 - JSE Credit Fixed Top 30 Index which captures the 30 largest credit fixed bonds by dual ranking
- CFLO95 - JSE Credit Floating Market Index which represents 95% of credit floating market
- CFLO30 - JSE Credit Floating Market Index which captures the 30 largest credit floating bonds by dual ranking

In addition, various sub-indices will be calculated for each of these composite Indices.
