JSE INTERNAL DISASTER RECOVERY (DR) TEST – 15 AND 16 OCTOBER 2016

Clients are advised that the JSE will be conducting an internal JSE Disaster Recovery test on **15 and 16 October 2016**. During this test the JSE trading and information systems for the Equity Market will be brought up and test data may be published to clients.

All clients who directly connect to the JSE are requested to ensure that their **production systems are shut down** during the weekend to ensure that they **do not receive and process any test messages published during the test**.

In addition please note the following:

- BDA services will **not** be available on **Saturday, 15 October 2016**.
- End of Day Data subscribers are advised to please download their end of day files prior to **08h00 on Saturday, 15 October 2016**; alternatively files can be downloaded on Sunday afternoon, **16 October 2016** from **14h00**.

Should you experience any problems over the weekend, please contact Customer Support on the after-hours number **+27 11 520 7900** or **+27 83 611 9315**.
