### Go Decision - Equity Market Trading Release - 28 October 2017

Clients are referred to Service Hotline 210/2017, issued on 24 October 2017 regarding the Equity Market Trading Release and planned routine network maintenance for today.

The JSE is pleased to announce that the Equity Market Trading Release and planned routine network maintenance on Saturday, 27 October 2017 has been successful and is ready for go-live on Monday, 30 October 2017.

The application maintenance ensures that the Trading system for the Equity Market is ready for the anticipated Go Live of the Integrated Trading and Clearing (ITaC) Project in 2018. As part of this release, the functionality to trade at half a price tick on Cross Orders (XT) is now available.

Clients are requested to connect to Equity Market Trading System as per normal on Monday, 30 October 2017.
