JSE Key Market Facing Dates for 2015

Clients are advised to take note of the following **2015 Key Market Facing Dates**.

The key dates include critical changes to the JSE production environment as part of project initiatives or ongoing maintenance activities in order to ensure operational efficiency of the production services.

High level dates are listed and include the level of client participation required in each test. The JSE will issue a Service Hotline prior to each test to provide further details of the required testing activities.

In addition, the scheduled JSE Remote Disaster Recovery date for 2015 has been provided; further details will be issued closer to the time of the test.

This notice also serves as formal notice as contemplated under the JSE Services Agreement.

Please contact Customer Support on +27 11 520 7777 if you have any queries.
