EQUITY AND DERIVATIVES MARKET HALT/PAUSE 7 NOVEMBER 2017

Further to Service Hotline, 226/2017 sent earlier regarding the issue with the colocation firewall, the problem has reoccurred and we have paused trading in the Cash Equities market and halted trading in the Bonds and Derivatives markets. The Commodity market is closed for the day as per normal schedule.

The JSE is working to reconnect all colocation participants and restart the markets as soon as possible.

The JSE would like to sincerely apologise for the inconvenience cause.
