TECHNICAL ISSUE EXPERIENCED WITH EOD INDICES DATA FILES – 8 DECEMBER 2014

The purpose of this notification is to advise you of a technical issue experienced last night which unfortunately impacted the layout, and some of the data, in the data file provided by the JSE.

The problem affected the data records provided via the I, SI and II data files.

Please note that the JSE technical team has resolved the issue and the Index Markers are now correct. Replacement files have been issued and placed on the IDP server for your reference.

The JSE apologise for the inconvenience caused.

Market / Service:

JSE Indices End of Day Dissemination

Environment(s):

Production
